

行政公告第四點說明：

在家自學(非學校型態個人實驗教育)或實驗教育團體/機構寄學籍的學生，請修改【學習型態】，上傳學生資源網時才不會列入錯誤資料，影響達成率~

哪邊可查看「在家自學」學生名單？請至「學生資料管理/學生異動/在家自學」查看~

The screenshot shows the 'Student Information Management - Student Record Management' interface. The left sidebar contains navigation menus for 'Home', 'School Administration', 'Academic Affairs', 'Teaching Group', 'Registration Group', 'Academic Performance Management', 'Grade Management', 'Group Setting', 'Supplementary Homework', 'Reading Card Machine Information', 'New Class', 'Changshu Admission', 'District Admission', 'Special Admission', 'Online Supplementary Exam', 'Supplementary Teaching Selection', 'Skill Learning Progress', 'Semester Setting', 'Teacher Information', 'Lesson Homework', 'Academic Affairs', 'Counseling', 'Teaching Staff', 'System Management', 'System News', 'Manual (New)', 'FAQ', 'Application for Character Use', and 'Customer Service'. The main content area shows a list of students for '109 Semester 2' and 'Year 101 Class'. The 'Student Information' form is displayed for a selected student, with fields for 'Nationality', 'Second Nationality', 'Birthplace', 'Household Registration Date', 'Enrollment School', 'Enrollment Year', 'Kindergarten Admission Qualification', 'Kindergarten Education Department Code', and 'Kindergarten School Name'. The 'Student Status' section includes 'Standard Student Status' (General Student, Special Student, etc.) and 'School Status' (Family Status, Parent Status, Learning Type). The 'Learning Type' dropdown is set to 'General Type' (普通型態). Red text annotations at the bottom provide instructions: '在家自學：請改為「非學校型態個人實驗教育」。' and '寄學籍：請改為「非學校型態機構實驗教育」~ 或「非學校型態團體實驗教育」。'.
