## DOUBLE BUBBLE MAP

The purpose of a Double Bubble Map is to compare and contrast two things.
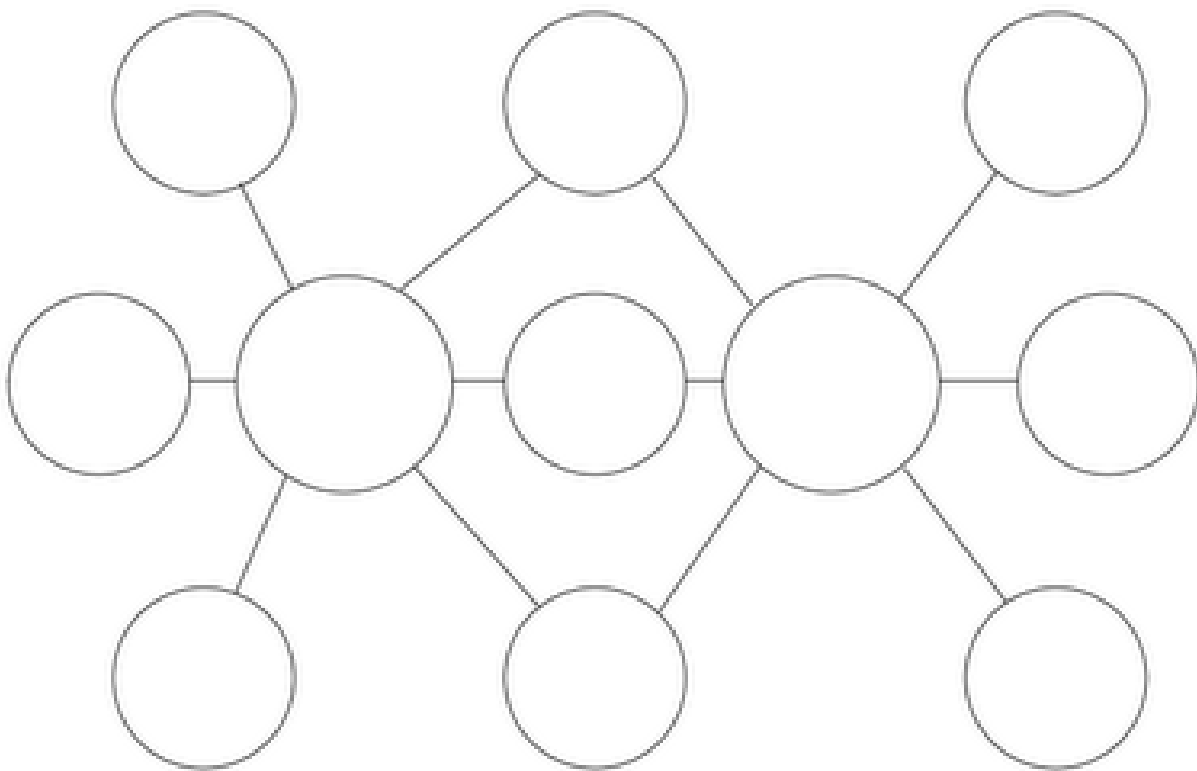

Example

Instruction: Apples and bananas have some common things and differences. Can you write them out?

Make your own Double Bubble Map

1. day vs. night

2. cat vs. dog

3. Line vs. Facebook

4. smartphone vs. laptop(notebook)

5. city vs. country

6. field vs. track

7. boy vs. girl

8. goose vs. duck

9. watch vs. clock

10. coffee vs. tea

Double Bubble Map for Comparing Similarities and Contrasting Differences
