Halloween

Halloween is a holiday celebrated each year on October 31 (also known as All Hallows' Eve, All Saint's Eve, and Samhain in some parts of the world). For many people who celebrate it, the holiday is a chance to get together with friends and family and have some spooky fun. There are all sorts of exciting ways to get in on the festivities of Halloween, from costume parties and macabre decorations to special seasonal activities like trick-or-treating, pumpkin carving, and hair-raising ghost tours. Over time, Halloween evolved into a day of activities like trick-or-treating, carving jack-o-lanterns, festive gatherings, donning costumes and eating treats.
