The Day I Broke the Rule (原文)

I'm only a student,I live in a free family.I can do a lot of things in my free time,but I need to tell my family and go home before ten o'clock at night.

Today is New Year's Eve. My friends and I are listening to a New Year's Eve concert.My friends and I are listening to the concert until 1am, when I went home the time was over 2 am and exceeded the specified time.

Next day,I woke up at 10 a.m. I see my father in the living room.He asked me why I came home so late yesterday and ordered me stay in the room for two days and couldn't come out.

After this event I dare not go home any longer and if it takes time, I will tell my family.
