Pre-reading Question

In summer, what kind of fruit do you like?

¹ At any time of the year, you can find fresh fruit in Taiwan. Taiwan's climate is **excellent**¹ for growing fruit. ² Besides, skillful farmers help make fruit better. Chen Wen-yu, the "Watermelon King," is a great example.

Chen Wen-yu grew up in a family of farmers. ³ When he was young, ⁵ watermelons did not taste good. He wanted to help farmers grow better watermelons. He worked hard for **several**² years and **successfully**³ created ^① new kinds of delicious watermelons.

In 1968, Mr. Chen started the Known-You Seed Company to **improve**^② watermelons and
 10 farmers' lives. As a successful **leader**⁴, he helped the company create more than 300 kinds of watermelon **seeds**⁵ and sell them **abroad**⁶. Thanks to his hard work, lots of watermelon seeds in the world came from his
 15 company. In 2006, he shared his story in *Portraits Taiwan* on Discovery Channel.

Mr. Chen's work with watermelons made him the "Watermelon King." In Taiwan, there are still many hard-working farmers like him.
 20 Their efforts truly make the island a fruit paradise.
