I. 課文綜合測驗：50% (每題 5 分)

Dear freshmen,

Welcome to Stillwater High School! You are about to experience the most 1 stage in your life. In fact, you will not only have fun with new friends but also 2 tough challenges. Speaking of challenges, time management and interpersonal relationships are two typical ones that may affect your life.

To help you better adapt to the new life, we would like to give you some advice on 3 them. By the time you graduated from junior high school, you 4 to manage your time already. 5, what you learned may not be efficient enough for doing well in high school exams. Now, you had better learn about the Eisenhower Matrix 6 can help you organize your schedule much better. On the other hand, if you are having trouble 7 interpersonal relationships, it is time to learn to communicate. Communication means expressing yourself. 8, learning to be a good listener matters, too. To understand people's messages and feelings, you also have to 9 their facial expressions and tones of voice. With good communication skills, you will find it easy to 10. These tips may take time to learn, but your effort will be worth it.

Best wishes,

Winnie
