Reading Time

Halloween is celebrated on October 31st, the last day of October. It's a fun holiday.

On Halloween, people carve pumpkins and make jack-o-lanterns to decorate houses. There are other interesting decorations, such as bats, black cats, spiders, skeletons, and so on.

On this holiday, people also go trick-or-treating. Kids love this event **especially**. They go house-to-house and say "Trick or Treat!" Then they get some candy.

Don't forget to put on a costume when you go trick-or-treating. Some people like to dress up like a **spooky character**. Others like to dress up as a princess or super hero. Which costume would you like to try on Halloween?
