

Topic : Celebrating International Women's Day

Grade Level: Junior High School (Grade 8)

◆ Objective:

Students will understand the significance of International Women's Day.

Students will practice reading, listening, and speaking skills in English.

◆ Materials Needed:

Projector and screen

PPT on the screen about influential women

Blackboard and chalk

Computers/tablets for research (optional)

◆ Procedure:

I. Introduction (10 minutes):

1. Begin by discussing the concept of International Women's Day (IWD).
Ask students what they know about it and why it's celebrated.
2. Show a short video clip (2-3 minutes) about the history and purpose of IWD.
3. Discuss the significance of celebrating women's achievements and promoting gender equality globally.

II. Reading Comprehension (15 minutes):

1. Distribute reading passages or articles about notable women from different cultures and fields (e.g., Malala Yousafzai, Marie Curie, Frida Kahlo).
2. Have students read individually or in pairs.
3. Ask comprehension questions to check understanding and facilitate a brief discussion about the challenges these women faced and their contributions.

III. DIY time: Thank-You Cards (15 minutes) with **foreign teacher-Elizabeth**

1. Make thank-you cards for the women that are important to you.
2. Share and read your cards with the class

IV. Wrap Up (5 minutes)

1. Quick review about global Women's Day.
2. Ask Students to take cards home and send them to the women that are important to you .
3. Take pictures with the ones that are important and post them on Padlet.
