## CAUSE & EFFECT

A cause is the reason why something happens. An effect is what happens.

Cause  
Because Rachel studied,

Effect  
she got an A on her test.

Circle the best way to end each sentence.

Kevin has a fever

because he caught a virus.  
because he stayed home yesterday.

The cat is happy

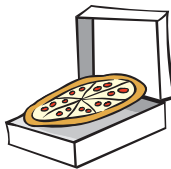

because she is going to eat.  
because she is going to the doctor.

Because the team  
won the game,

the fan was hungry.  
the fan was happy.

The family ordered  
a large pizza

because they forgot to make dinner.  
because they were full.

Because the flowers  
were not watered,

they were strong and healthy.  
they were dry and weak.

Because Joe always  
brushed his teeth,

he had to see the dentist often.  
he never had a cavity.

The man went for  
a bike ride because

the weather was good.  
he was tired.
