|---|----|--|
| <p>Production:</p> <p>5. Students will quickly review their red (I don't understand) and green (I understand) cards.</p> <p>6. Students will receive one BINGO card each with a different written time. The game will be played with the teacher calling the time and the students marking it. Students only need one line to win. There will be three winners.</p> <p>7. Students will listen to a short story. A worksheet will be given (with clocks) for them to LISTEN AND WRITE. They will listen to the story and write the time they hear on the clocks using numbers and words.</p> <p>8. Students will write their answers on the board. The whole class will read, review, and make corrections if necessary.</p> | 10 | <p>Black borad</p> <p>Canva</p> <p>Flag</p> <p>Worksheet</p> |
| <p>Wrap-up:</p> <p>The teacher will wrap up the session by asking the students three questions:</p> | 10 | |
