Morning

- 
- The background image is a landscape photograph. The sky is filled with heavy, dark, and textured clouds, with some lighter patches where light breaks through. Below the sky is a flat, green field, possibly a meadow or a farm field, stretching to a distant horizon. In the far distance, there are faint silhouettes of hills or mountains. The overall mood is dramatic and somewhat somber due to the dark sky.

Cloudy day

A photograph of a long wooden pier extending into the ocean at night. The pier's wooden planks are wet and highly reflective, mirroring the warm, yellow-orange glow of a series of streetlights that line the right side of the walkway. The lights create a strong, shimmering reflection that leads the eye down the length of the pier. The sky above is a deep, dark blue with some lighter, wispy clouds. The ocean is visible on both sides of the pier, its surface dark and calm. The overall mood is quiet and atmospheric.
