6	營造積極的班級氣氛 Create a positive classroom atmosphere	☒	☐	☐	☐

一、教學者教學優點與特色 Teaching advantages and characteristics:

The instructor demonstrated several key teaching advantages. The effectively integrated all four language skills - ensuring a comprehensive and well-rounded approach to language acquisition.

Furthermore, the instructor skillfully implemented communicative learning strategies, fostering an interactive classroom. This was reinforced through using stamps, points, & games.

二、對教學者之具體成長建議 Specific suggestions for teachers:

To further optimize class time and student management, a specific area for improvement lies in time management. While the current use of multi-media is beneficial, adjusting the length of video introduction segments by utilizing shorter video clip. The instructor could allocate additional time for interactive activities.

三、學生的學習情形 Student learning situation:

The students are English beginners, indicating a fundamental need for consistent reinforcement throughout the class. The instructor effectively addressed this by providing engaging class activities.

Additionally, the strategic use of the students' first language (L1) remains necessary, particularly to clarify complex content meaning within the teaching material.
